CURRENT APPOINTMENT

**Fellow in joint replacement and adult reconstruction.
Feb 2017 till date**

Fellowship director: Dr. Sanjay Agarwala.

President: Indian Society of hip and knee surgeons (ISHKS) 2016- Dr Agarwala has a wide experience in joint replacement. Complex primary as well as revision hip and knee Arthroplasty cases are managed in his practice.

Western India Director for teaching (AOGGroup) - Extensive exposure of management of complex trauma.

P.D.Hinduja Hospital; Mahim, Mumbai- Being a recognised teaching institute for the National Post Graduate Diplomate course I am actively involved in the teaching programme and contribute to the grand rounds, journal clubs, academic and research activities.

Job Responsibilities: My colleagues and I see a large number of out patient cases as the unit has about 500 out patient consultations per month. The unit operates about 600 surgical cases per year which include 150 total hip and 300 total knee arthroplasties in addition to other reconstructive orthopaedic cases, cold orthopaedics and trauma. I therefore interact with patients pre, intra and post-operatively; which has honed my skills in the management of these adult reconstruction cases.

Research: 1) Critical evaluation of efficacy of Bisphosphonates in treatment of AVN other than Hip-retrospective study of our experience
